

Third Party Insurance for National Clarion cyclists under the group insurance scheme

What is covered under the insurance policy?

Third party insurance for National Clarion Cyclists who are normally resident in Great Britain, Northern Ireland, the Isle of Man, or the Channel Islands. This cover, known as 'Clarion Cover' is provided under a policy taken out by the National Clarion with Royal Sun Alliance, policy number XXX, providing a maximum liability of £5,000,000 in respect of each incident.

The policy with Royal Sun Alliance is designed to meet the needs of the majority of National Clarion cyclists, and therefore it cannot always meet the individual needs for each cyclist. You should be aware that you will not receive advice or recommendations from us about your individual insurance needs.

Summary of the insurance provided

'Clarion cover' protects you for any claim made against you for injury or damage caused by you to a third party while you are cycling anywhere in the world except USA and Canada. A third party is anyone other than someone employed by you or travelling with you on the same cycle, unless using a tandem.

You are covered if you are cycling on a cycle (unicycle, bicycle, tricycle, tandem or triplet) unless it is driven by mechanical power other than electric assistance.

You are insured while you are using your cycle for private and professional purposes (e.g. commuting or travelling between meetings including on hire bikes), but not if you are specifically employed as a cyclist (e.g. as a cyclist-messenger, a cycling trainer or a courier cyclist).

You are insured for Clarion Clubruns, Sportives, Reliability Rides, Time Trialling and Audax events. You are not insured for any form of competitive cycling that involves mass starts.

You are insured if you are disabled or suffering from any illness unless your doctor has advised you against cycling.

You will not be covered for damage to property belonging to another member of your family who is resident with you.

'Clarion Cover' provided to members who pay an additional premium over and above the National Clarion membership fee and who are recorded as having done so on the National Clarion database. This premium will be set each year by the National Committee and will be varied for reasons including but not limited to the number of members of the scheme, the size of claims made against the group policy, National taxes and rates charged by our insurers. 'Clarion cover' cannot be cancelled and is therefore none refundable.
